Our Mission

The mission of the Spencer Family YMCA is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

Financial assistance is based on ability to pay. It is the policy of the Spencer Family YMCA that no one be denied membership or program participation by reason of inability to pay fees. Funds made available for financial assistance are provided through the United Way and the YMCA's annual Century Club.

YMCA Century Club

A great way to improve your community's standard of living, learning and thriving.

Your gift makes a difference....

in our lives!

2009 Century Club Campaign

Century Club 2009 Goal \$90,000

At the Spencer Family YMCA, we strive to make sure that every child's day brings about bigger and brighter achievements - but we can't do it alone! Your support ensures that many children who otherwise would not be able to afford YMCA programs and services are included. You'll not only give a nearby child the chance to belong today, but you'll help that individual learn the important values that will positively impact their life and our community, tomorrow. (R)

Change from every dollar

That's what your charitable contributions can create when you donate to the Spencer Family YMCA's Annual Century Club

At the Spencer Family YMCA, one of our most important goals has always been to enrich the lives of kids in our community. But when some are left out, it leaves us all a bit poorer. As a person with vested interest in the future of our community, you can help these kids grow into responsible, successful adults.
